Play Starts

President's Message

Kevin Langley

To all players, umpires, coaches, parents and volunteers, I would like to take this opportunity to thank all of you on behalf of your Executive for a successful 2008 season! Also, thank you to all of our Executive members for their hard work during the past year, and farewell to the following Executive members who have stepped down after several years of excellent service with our Association:

Roman Dypchey - Past President

Karolyn Donnelly - Treasurer

Jacqueline Harris - Communications Director and Registrar

Anne Devaney - Volunteer Coordinator

Presently there are three Executive positions that remain vacant. These are key positions and play an integral part in ensuring a successful season and they are:

Treasurer

Umpire Coordinator

Volunteer Coordinator

Note that these positions can be shared so you can team up with a partner(s) to share the responsibilities. If you are interested or need more information, please contact me by phone 604-727-6698 or by email president@sswrmsa.com. Come on out and get involved!

The 2008 season was very successful for our Association. We sent two teams to represent our Association at the annual Super-Mite tournament and five teams reached the Provincial Championships. We also held our first player development day which was run by players and coaches from SFU women's softball team. It was a great success. The Sunnyside Park redevelopment is still underway with the goal of having a new facility ready for games beginning in 2010!

We have already started some activities for our 2009 season. Fall pitching clinics began in October and very shortly, we will be taking bookings for clinics starting in January. Also, we recently held the first of our coaching clinics for the year and we'll be running additional clinics in January and February. More information about these clinics will be available on our website soon.

We look forward to the return of coaches and Level Coordinators so we can build on what we've learned from our past experiences and ask that you offer your input and guidance in the future so we can continue to make improvements. All suggestions and/or feedback is welcome at info@sswrmsa.com

We hope to see many of our veteran players back on the diamonds for 2009 and we will give a big welcome to all new players for the up-coming season! Please complete the Registration form on the reverse, and please visit our new website at www.sswrmsa.com for any additional information required.
