What is Fastpitch Softball?

Fastpitch softball is a team sport consisting of 12-14 players, and is very similar to baseball. Softball is played on a smaller diamond with a larger ball (up to 11-12 in/30.5 cm) which is pitched underhand, usually windmill style. The SSWRMSA program focuses on teaching basic softball, fastpitch techniques and principles, promoting fair play and sportsmanship in a structured and supervised environment. Kids that play say they love it for the fun of the game, meeting new friends, cheering and being supportive of one another!

SSWRMSA

The South Surrey White Rock Minor Softball Association is a not-for-profit, volunteer driven, CSA sanctioned organization that offers fastpitch softball programs for girls and boys* ages 5-22. There are two levels of play including a 'House' league which combines beginner and experienced players and a 'Rep' league for which players go through a tryout and selection process, usually occurring in September.

The Season

- **February 2010** - The season begins with an evaluation for house players, Mite level and up. No previous experience is required. The evaluation data is used by coaches to form teams that are equal and balanced in terms of skill and ability. Registered players will be notified of their times and should dress appropriately for weather, wearing cleats/soccer boots if available. Bring a glove!
- **March 2010** - Teams are formed. Coaches will contact their players, set up practice times & distribute uniforms.
- **April 2010** - Ice Breaker Season Opener Tournament (all teams play) and team pictures.
- **April 2010 to June 2010** - 12 weeks of regular season play with 2 games each

week as follows: Mon/Wed:
Learn to Play, Mini Mite,
Squirt, Bantam. Tue/Thur:
Mite, Pee wee, Midget.

- **June 2010** - Final tournament. The winner and runner-up for each division play in the District tournament. Provincial Tournaments may follow. Dates and venue TBA.

Equipment & Gear

Most equipment is supplied. Players need a glove and for older age groups, cleats and a mouth guard are recommended.
